

Hello!

I'm Millie Bowie, a UX/UI designer based in Bristol.

ABOUT ME

I am a UX/UI designer with experience in designing for a range of devices (mobile, tablet, desktop), conversing with clients, and have a passion for designing for change. I have been involved in every stage of the design process, from concept, to execution and to production, meaning I can converse with people confidently at all stages.

Passions outside of work include netball, kickboxing, skiing, cooking, attending musical events and surfing.

EXPERIENCE

Head of Design
Paperclip | 2021 - present

- UX/UI design of all new updates and features, including new concepts: Listings never leave; Rental; Paperclip credit, Lifetime commissions
- Organisation and coordination of small Graphic Design team, providing support and direction to Junior Designer

Graphic Designer
Paperclip | 2020 - 2021

- Responsible for all design related tasks, developed excellent time management skills

App maintenance and graphic design
Smalltalk | 2020 - present

- Tasks include additional iconography for the Smalltalk app, design of app store screens across all mobile devices, social asset creation and templates provided for social media manager to work with

Freelance designer
2019 - 2020

- This consisted primarily of brand identity projects, including Billi (bespoke fashion brand featuring up-cycled clothing), Murph (up and coming London DJ), Joshua Lees (Photographer) & Niavee Nails (Nail technician)

DESIGNING FOR CHANGE

@feminist collaboration | 2021

- Collaborated with @feminist, a feminist community with an instagram following of 6.3 million, to create a series of social posts around the subject of black women and police violence in the US

Skin Colour is not a Symptom | 2020

- Sparking conversations and tackling the prejudice towards the Asian community during the outbreak of the Coronavirus

Eliminating Ignorance | 2019 - 2020

- Research-led design based on findings during conversations with members of the hard of hearing community and a Senior Audiologist
